## Directions

### From the North / West:

Approach Norfolk using the A1 – A17 – A47 (from the North) or the A47 (from the West).

Continue on the A47 to bypass Kings Lynn and continue and further 28 miles towards Dereham, which you will approach on a long straight concrete road.

As you approach Dereham the road forms a dual carriageway, at this point immediately take the slip road off to the left.

At the ensuing junction bear left again and keep on this road through Toftwood towards Shipdham.

Once in Shipdham, take the second left which is signposted to Shipdham Airfield Industrial Estate.

After a mile or so this road bends sharply to the left, stay on this road, and just after passing a junction on the right, turn into Shipdham Airfield Industrial Estate.

### From the West / South West / South:

Approach Norfolk using the A14 - A11, heading towards Norwich.

Near the end of the Thetford bypass (4<sup>th</sup> roundabout) take the 1<sup>st</sup> exit A1075 to Watton / Dereham

At Watton go straight on at the main traffic lights.

Travel through Shipdham, as you get near to exiting the village take the right hand turn signposted to Shipdham Airfield Industrial Estate.

After a mile or so this road bends sharply to the left, stay on this road, and just after passing a junction on the right, turn into Shipdham Airfield Industrial Estate.
